

How to set up your ezbiz account

All your Foresters Financial™ and Canada Protection Plan digital tools at your fingertips!

ezbiz is your new advisor portal to manage all your Foresters and Canada Protection Plan business from one central hub.

Follow these 6 easy steps to set up your ezbiz account.

1. Go to <https://ezbizcanada.foresters.com>

2. Click "New password request" and enter your advisor code and the email address you used for contracting.

3. You'll receive an email containing a temporary password. Log in with your advisor code and temporary password.
4. Review and agree to the Terms of Use.

5. Select a delivery method to receive a verification code and click "Send PIN".

6. Enter the verification code and click "Continue".

You've now successfully set up your account!

Change your temporary password.

We strongly recommend changing your temporary password once you have set up your ezbiz account. Simply click on your name in the top right, select the "Account Settings" and click the "Change Password" link.

Set up your ezbiz account up today!
