

Financial strength you can count on

Secure your future with an insurer that has protected millions of families.

When you purchase life insurance, you want to be sure the insurer is financially sound and going to be around a long time.

The origins of Foresters Financial™ date back to 1874 when The Independent Order of Foresters (IOF) was founded as a fraternal benefit society. Fraternal benefit societies operate on a not-for-profit basis. **Foresters profits go towards fulfilling our purpose: helping you do more of the good you want to do every day.**

Today, The Independent Order of Foresters is a Canadian Fraternal Benefit Society, and a trusted international financial services provider, with over two million members¹ in Canada, the US and the UK. **Foresters maintains a strong financial position with assets of \$19.6 billion and a surplus of \$2.3 billion.**²

For 25 consecutive years, the independent rating agency A.M. Best³ has given The IOF an "A" (Excellent) rating for excellent balance sheet strength and operating performance. In addition, DBRS Morningstar, the world's fourth largest credit ratings agency, has also confirmed IOF's "A" Financial Strength Rating and Issuer Rating.⁴

The Office of the Superintendent of Financial Institutions (OSFI) closely monitors life insurance companies and requires them to maintain a Life Insurance Capital Adequacy Test (LICAT) ratio above supervisory levels. Foresters maintains a strong LICAT ratio that comfortably exceeds the required levels.

Staying financially strong for you

At Foresters, we manage our financial reserves. We're also a member of Assuris. Assuris is the not-for-profit organization that protects Canadian policyholders if their life insurance company fails. Details about Assuris' protection are available at www.assuris.ca or by calling the Assuris Information Centre at 1-866-878-1225. In the event the reserves of a class of certificates become impaired, Foresters members may be subject to a special assessment to maintain reserves. However, Foresters has assessed members only once in 1913 for certificates issued before 1898.

Foresters focuses on strong operational performance and careful management in order to withstand adverse business and market conditions. We continue to innovate products and services that go beyond financial planning to provide benefits that empower you – our clients and members – to make a positive difference in the world.
